ECZEMA ON ARMS ITCHING BURNING

Very Bad. Started With a Rash. Scratching All The Time. Clothes Irritated.

HEALED BY CUTICURA SOAP AND OINTMENT

"My child's eczema started on her arms with a rash. It spread all over her arms, and itched and burned very badly. We had to stay up nights with her to keep her from scratching. She was scratching all the time, and her clothes always irritated the burning skin. I had her treated and used Cuticura Ointment and a cake of Cuticura Soap, and it only took about three weeks, and she was healed." (Signed) Mrs. Robert A. Downes, 30 Lindsay Ave., Kingston, N. Y., Feb. 25, 1910.
